

Welcome to Team Rockin Robbins, one of the strongest and fastest growing teams today! We want to help you to get off to a fast start, so here's some information to help you get started. Keep it in a handy place, because you'll be referring to it often, and passing it on to your new consultants when they come on board! Let's get you started fast, so you can earn your return on investment, and fabulous upfront bonuses! Let's rock and roll!

NEXT STEPS:

1) Request to join the Rockin Robbins Rock Stars Facebook group that's for consultants on our team. It's a great place to share ideas, & give shout outs to your team:

<https://www.facebook.com/groups/146962725404939/>

2) Do the "Solution Tool" on your website so you know how to use your product when it arrives. Be sure to take a "before" picture to track your product results!

3) Order business cards at <http://rfmall.biz>

4) Start your training at: TeamRockinRobbins.Com. (username and password are: **team**) You can learn everything you need to know about getting started on our training videos. Watch the videos in order and work with your business partner to get any questions answered, and to begin "next steps".

You can also find helpful documents on our team site, along with a New Consultant Training Guide. We recommend printing these off, and creating a training binder. Put everything you learn into action, realizing that the more you practice, the easier this gets!

5) Stay Plugged in:

LIVE NATIONAL OPPORTUNITY CALL FOR YOUR CONTACTS TO LEARN MORE

Sundays at 8:00 pm EST

Dial in LIVE Sundays only: [\(712\)432-0075](tel:7124320075) code: 102236#
